

Janesville Youth Wrestling Club (JYWC)
2024-2025 Corporate and Individual Sponsorship Program

The Janesville Youth Wrestling Club’s mission is to provide experiences and development while, "Empowering young wrestlers to be persistent, industrious, and neighborly, fostering their personal growth, athletic excellence, and positive contributions to the Janesville community."

It is our philosophy that any youth who participates in Janesville Youth Wrestling will have the opportunity to enhance and develop, not only wrestling skills, but also his or her social skills. Competitive wrestling offers each individual the chance to enjoy the daily interaction with fellow wrestlers and properly trained coaches.

Competitive sport will introduce youth to many values they will carry with them throughout their lives. It is our desire to teach skills, values, and offer character-building traits that will not emphasize that you “win at all costs”. Often these ideals are fostered by overzealous parents and coaches. Our program will not only help develop children to understand that success often includes winning, but ultimately means committing to learn to become a team player, to become physically and mentally sound, and be a part of competition that stresses improvement and fun as an end goal. Being able to compete is something all individuals must learn, to be able to succeed in life.

Janesville youth wrestlers gain experience through local tournaments as beginners and many advance to place and win in state tournaments as well. We attribute this both to the growing interest in our sport and to the investment we are making in our instructional coaching.

Specifically, our wrestlers and volunteer coaches will be benefiting from a tremendous amount of knowledge from 2x NCAA All American Cedric Gibson. Janesville Youth Wrestling is appreciative to have such accomplished coaches providing technique and learning opportunities. This will help take our program to the next level and support our wrestlers to compete with the highest level of sportsmanship and respect.

This investment in coaching and our wrestlers' futures wouldn't be possible without the support of our Individual and Corporate Sponsorship Program who help JYWC defray the costs of operations. We sincerely thank past, current, and future sponsors for their generous support of our wrestlers and our organization.

Based on your contribution level, you/ your company will be recognized in the following way:
